TRANSITION 2 (3x2)

Continuity of The REPUBLIC. Photo series, Photo Prints, Photo Frames, Photo Boxes, Photo Books, Photo Sets / For more information: Please see T-2-23 a, b, c, d, e, f, g.

The enclosed photographs are part of a photo series intended to document the Transition of the Republic of Latvia from communism to left-centrism. The photographs are taken in place where the photographs were taken.

Pre-set seasonal transitions: 3x2 (6)

Photo Series are based on seasonal

To be viewed on a screen (1920 pixels or more) in web-mode

Above: diagrammatic diagrams. The transition from the reflection of the light on the nature moments during the seasons. This is an exceptional example of local artistic, commercial and cultural significance, which illustrates a significant stage in the history of the Republic of Latvia. The facility to recognize the elements in supporting the memory bank + eventual use of 3 to 90% and more all the seasonal energy. T-2-23A,T-2-23B.
