pré-requis: Semences, dimensions, exercices.

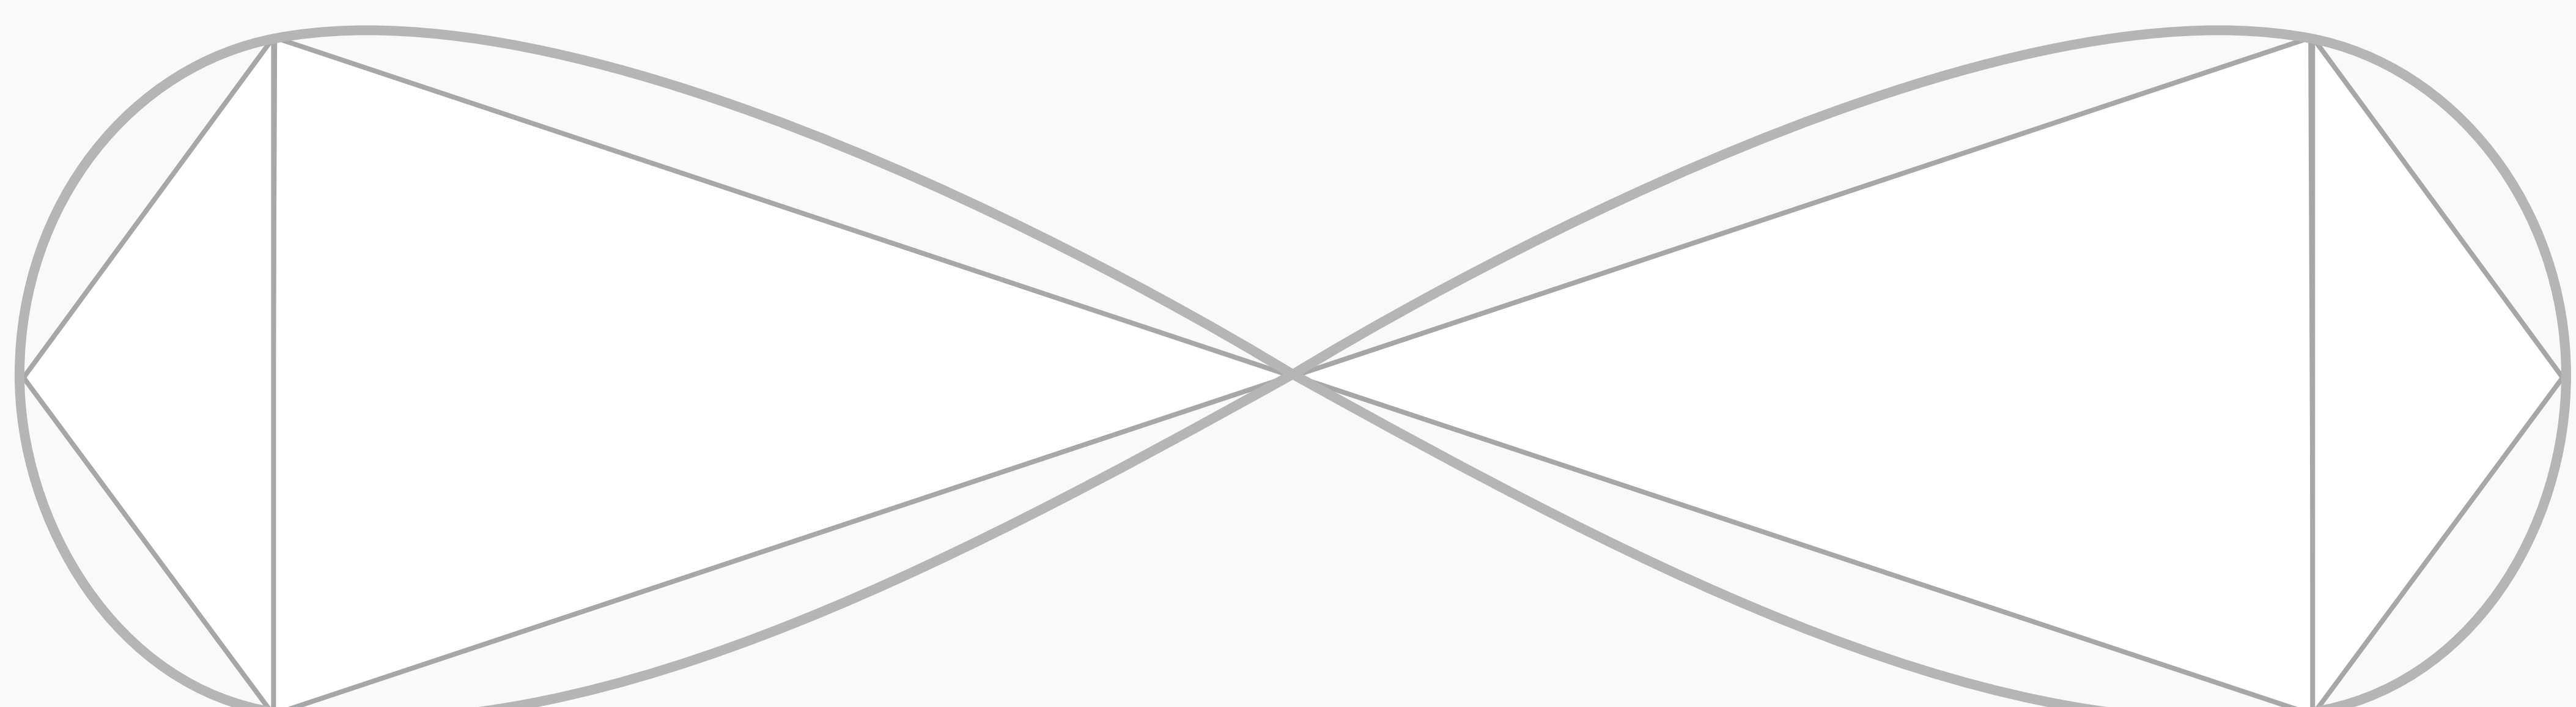

Symbol of INFINITY

Possibilities for new plays and ambidextrous exercises.
Pre requisite: Seeds, dimensions, exercises.

En arrondissant la distance entre les éléments qui forment les triangles d'Or, nous obtenons le symbole de l'INFINI.

By rounding off the distance between the elements that form the Golden triangles, we obtain the symbol of INFINITY.

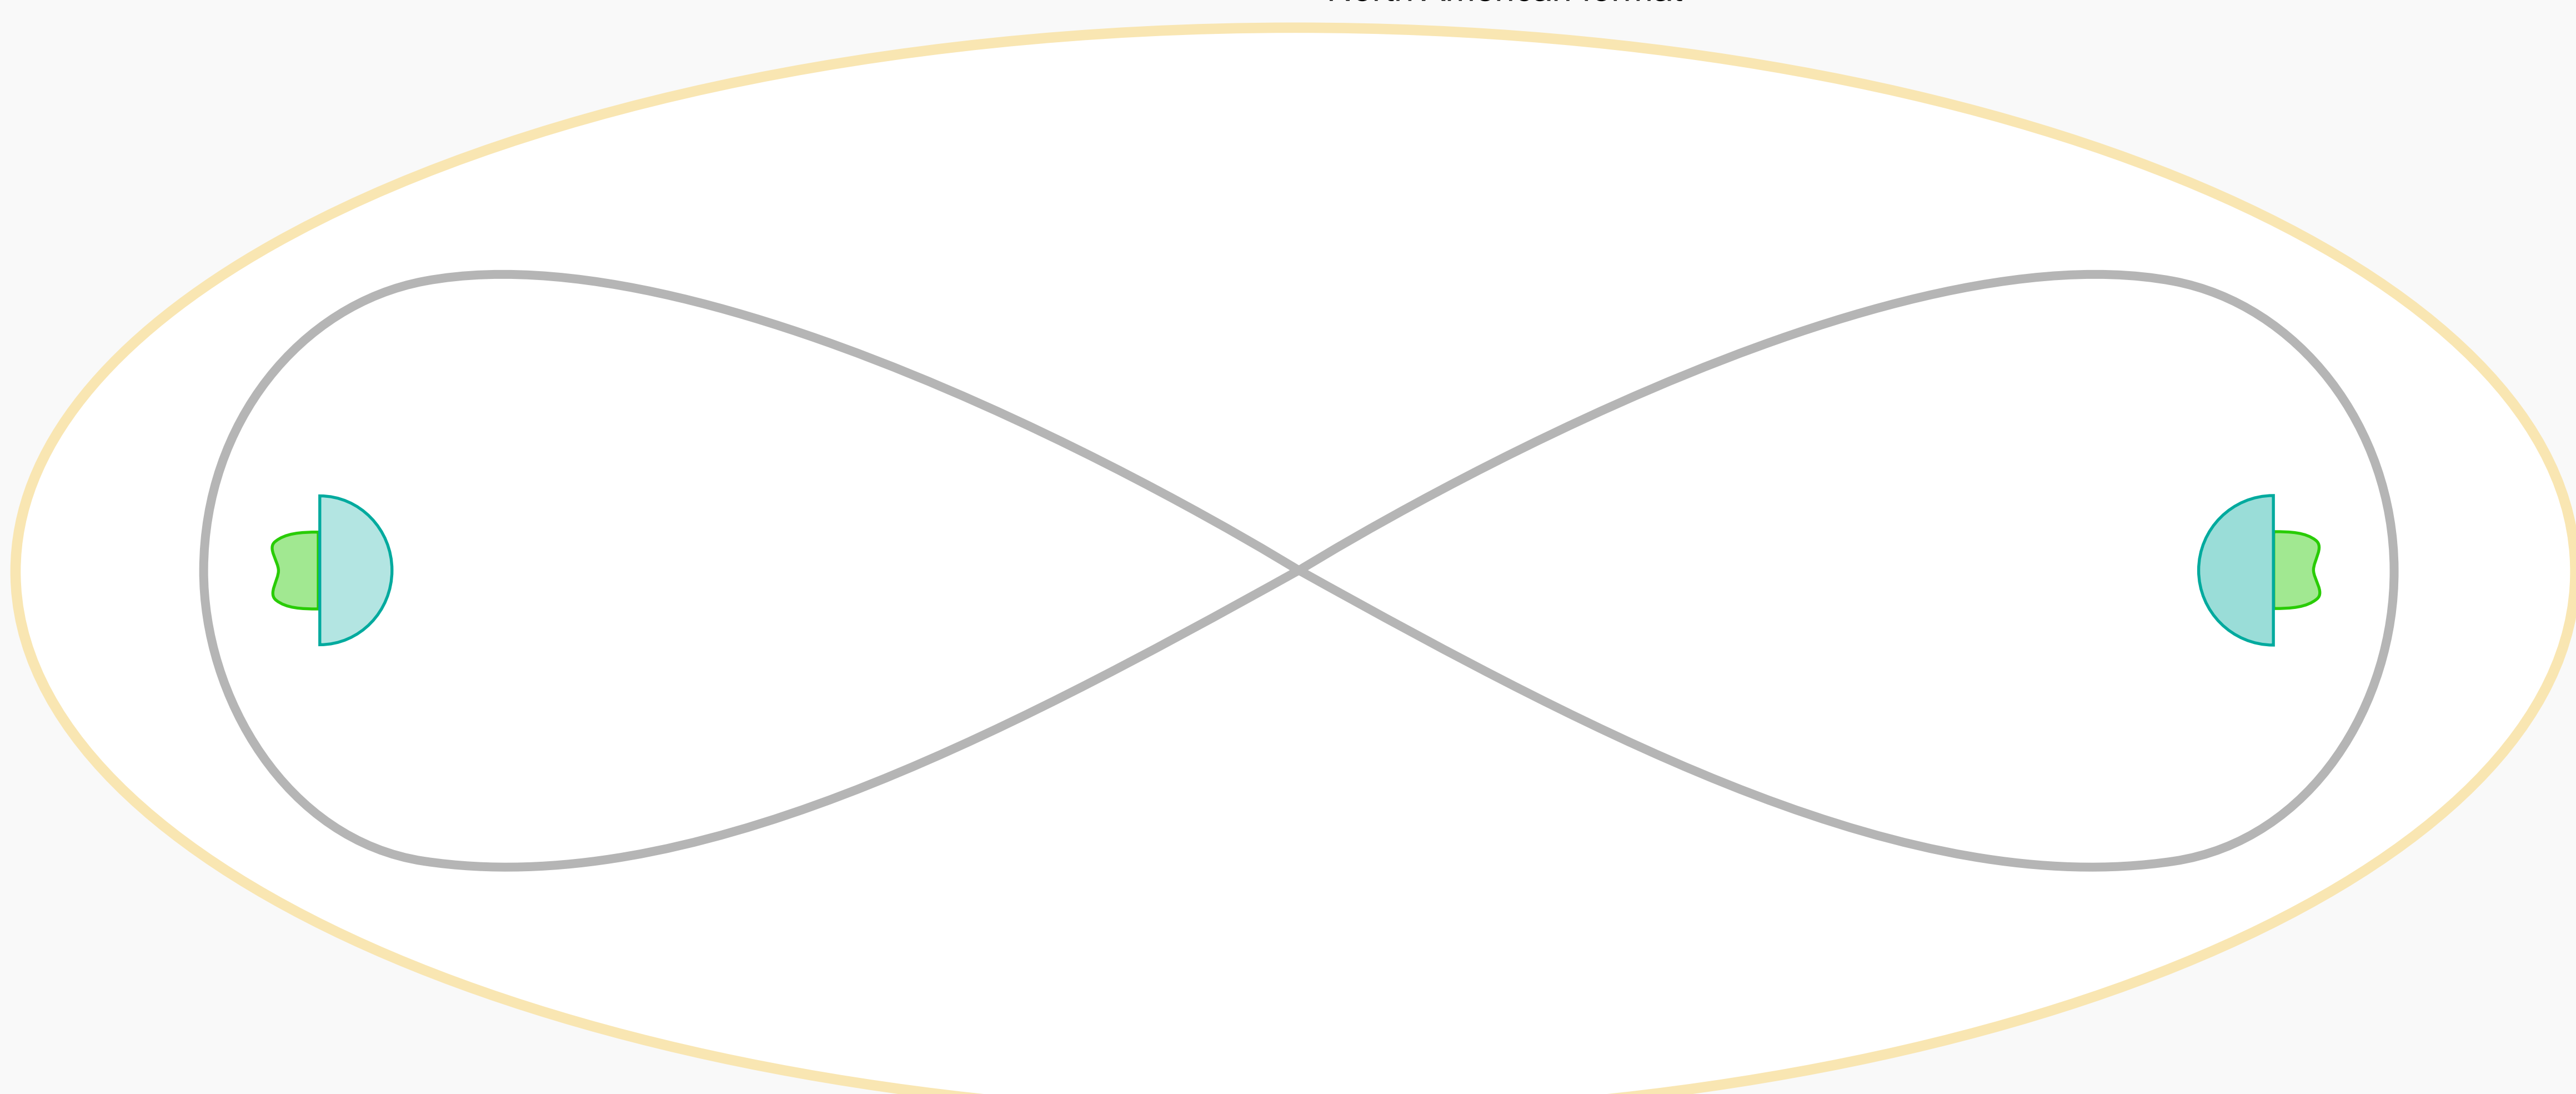

En agrandissant les triangles nous avons des exercices de patinage derrière les buts et des possibilités de jeux nouveaux.

By increasing these triangles we have skating exercises behind the goals and possibilities of new plays.
